EDUPRIZE 3rd Annual Read-A-Thon

Jump into the pages of a book and find some adventure or visit a far off land all while helping your child become a better reader! Ask family and friends if they would be willing to sponsor your student with a pledge amount per minute (a minimum of $5.00) or a flat pledge. For example the flat pledge could be $5, $6, $10, $15 etc. PTN can accept pledges in the form of cash or a check. Please make the checks payable to **EDUPRIZE PTN** and include ***the sponsor's phone number*** on the check. Track your pledges on the form below and reading minutes on the back. The Read-A-Thon will start on ***September 11th***. Have fun reading and turn your form and money into your teacher by ***Monday, October 19th***.

The money raised will be going toward the ***Reading Counts*** program. This software based reading program is proven to develop reading skills, raise test scores, and motivate students to take responsibility for independent reading. The program begins with great books. Students read fiction, nonfiction, and curriculum based books based on their interests and reading level, ensuring they will enjoy and have success with what they read. Teachers can assess each student's comprehension by utilizing the specially designed computerized quizzes. So let's begin and have fun!!! Thank you for your support!
